Directions: After you have printed out your notes from the GeoExplorer, answer these questions and fill out the following chart.

What countries did you find most interesting?

In what ways do these countries represent the diversity of the continent?

Should you include any other countries that reflect more diversity on the continent?

Country	Size (S,M,L)	Geographical Landmarks	Historical Landmarks	Cultural Landmarks
United States** (example)	Large	Grand Canyon, Mississippi River, Great Lakes	Alamo, Gettysburg, Boston Harbor	Ellis Island, French Quarter New Orleans, Gateway Arch in St. Louis
