

## FILIFE DEANDRADE

PHOTOGRAPHER & FILMMAKER

Filipe DeAndrade, a filmmaker who grew up as an undocumented immigrant in the United States, talks about the push and pull between passion and achieving personal or professional objectives. He connects the jaguars and sharks of Costa Rica to the greatest motivating force in the world. "Fear," he says, "is there to prepare you for success."

MCKENZIE BARNEY

### About Filipe DeAndrade

Brazilian born, Cleveland raised, National Geographic Explorer and filmmaker Filipe DeAndrade has a passion for wildlife and freely admits he is addicted to adventure.

Filipe graduated from the University of Florida and started the production house Comfort Theory, which focuses on telling wildlife conservation stories. Filipe is the host of National Geographic's digital series "Untamed" and is a 20-time NY Emmy Award winner as a producer and cinematographer.
