

BY 2050, MORE THAN 70% OF THE  
WORLD'S POPULATION WILL LIVE IN  
CITIES. A LARGER DENSER GLOBAL  
POPULACE DEMANDS SMARTER,  
SUSTAINABLE CITIES.

| ANDREW EVANS, TRAVEL WRITER |

## ANDREW EVANS

TRAVEL JOURNALIST AND TV HOST

As a frequent contributor to *National Geographic Traveler* and its first Digital Nomad, Evans spent five years sharing his adventures online in real time via Twitter, Instagram, Facebook, and YouTube.

To date, Evans has completed 30 assignments for the National Geographic, which have spanned all seven continents and five oceans. He has broadcast live from kayak, camelback, and helicopter, and from inside King Tut's tomb. Evans was the first person ever to blog from the summit of Mount Kilimanjaro, and gained a worldwide following when he made his epic overland journey from National Geographic headquarters in Washington, D.C., all the way to Antarctica, by bus—a 12,000-mile journey.

Evans is the author of four books, including awardwinning guides to Ukraine and Iceland, and has published stories in *Reader's Digest*, *The Guardian*, *The Times* (London), *The Telegraph*, *The Economist*, *Business Traveler*, *Blackbook*, and *Four Seasons*. As a travel expert who has visited over 100 countries, Evans has been featured in *Forbes*, *BBC*, *Condé Nast Traveler*, *Men's Health*, *The Guardian*, *Gawker*, *Frommer's*, and *The Huffington Post*.

Evans has received two Lowell Thomas Awards from the Society of American Travel Writers, two Folio Awards, and two awards from the National Travel Journalism Association. For his unique use of new media, Evans was named a "Media Mover & Shaker" by the Association of Magazine Media. He has appeared on the Travel Channel, *The Early Show* (CBS), *Today Show* (NBC), FOX, and the French Canadian channel TFO. He has hosted several television shows for the National Geographic Channel, including the recent series, *World's Smartest Cities*—showcasing innovation and urban sustainability all over the world.
