ME AS A TREE!

Calling all arbornauts! If you were a tree, what kind of tree would you want to be? Learn all about trees. Discover traits that are specific to different species. Think about which aspects you most admire or relate to—and then decide which tree you’d be! Draw your tree selfie and write a brief autobiography (a description of your life as a tree). HINT: The more you know about the tree you select, the more creative your entry can be! Thanks for participating in this year’s challenge.

A parent/legal guardian must submit their child’s tree drawing and autobiography with this entry form.
