

Create an Origami Wolf

EASY

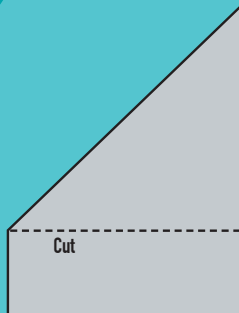

1

Take an 8.5 x 11 sheet of paper & fold top left corner down until it meets right side.

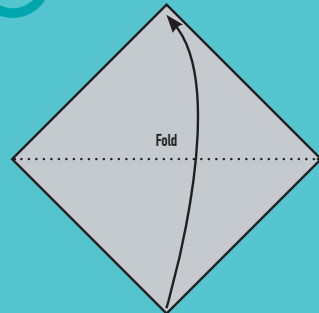

2

Cut off bottom to create a square.

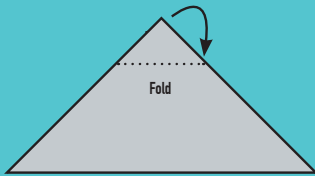

3

Fold bottom corner to top corner.

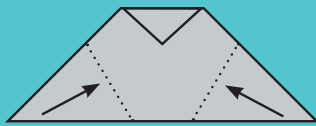

4

Fold top corner down.

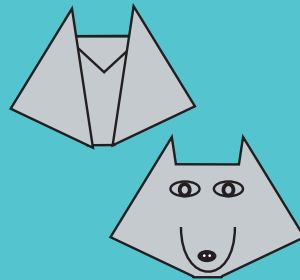

5

Fold other corners up to form ears.

6

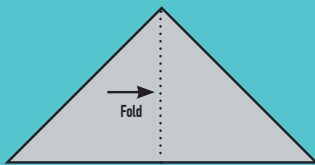

Points should stick up. Flip over and draw a face.

CHALLENGING

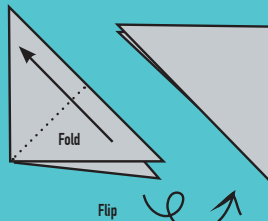

4

Repeat steps 1-3 of easy version. Fold left corner to right corner then flip over.

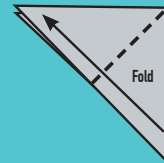

5

Fold top layer of bottom right corner to top left corner and then flip over.

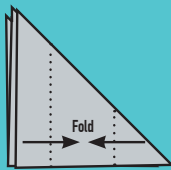

6

Fold bottom right corner to top left corner.

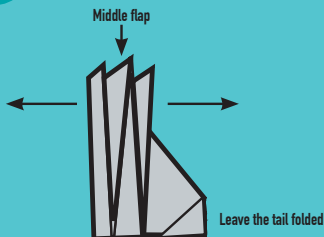

7

Fold both ends toward the center. Do not overlap.

8

Pull flaps apart. Grab middle flap.

9

Fold down middle flap to form face, then draw in a face.
