STEM FUN ACTIVITIES
With National Geographic Little Kids First Board Book series
LITTLE KIDS FIRST BOARD BOOK OF ANIMALS ON THE MOVE
1/ Look at the spread on the flip side. Animals come in all shapes and sizes, and no matter how they are built, they find a way to move. See if you can match the animal with the way it moves.

2/ ACTIVITY: What happens when you wiggle back and forth? Try it standing up. Then try it lying down. Which way works better to help you move forward?

LITTLE KIDS FIRST BOARD BOOK OF WILD ANIMAL SOUNDS
1/ Look at the spread on the flip side. Animals make all kinds of sounds. Some are loud. Some are quiet. Some are cheerful. Some are a little scary! See if you can match the animal with the sound it makes.

2/ ACTIVITY: What sound would a tiger make to guard its food? What sound would YOU make?
